Put your name down for any of the following events:

- Delando Movie and Pizza night in – Friday 27 July at the Centre
- Sand Boarding adventure – for the young and young at heart – see story for details

Don't miss out on these fun supported outings..... Ring the office on 49681969

Calling all adventurers! Sandboarding – Sit Down & Stand Up

Join us for an epic adventure on the largest moving sand dunes in the Southern Hemisphere! The Sandboarding Safari will take you across the sand dunes in a purpose built 4WD to our Sandboarding area, right in the heart of the dunes! A shaded picnic area with tables and chairs is provided, so food and drinks can be taken.

The place uses hand made sand boards for all types of sand boarding including the stand up style. Most of all, it's entirely up to you whether you sit or stand. You can even ride tandem!

We need your suggestions.....

Delando has a suggestions box that is available for anyone to use. We encourage you to think about any activities that you may be interested in and pop a list in the suggestion box. Delando is always looking for ways to improve.....

Message from our Chairman ...

A reminder that our Annual General Meeting is in August in the Delando Building.

It starts at 6.30 pm on Thursday 16th. Delando has a proud history as a community run charity supported by the families of our clients. You will soon receive paperwork about this meeting and a nomination form for board members. Please give this some thought. To be part of a charity board is an honor and should be a pleasure. The board is there to support our staff in the wonderful work they do.

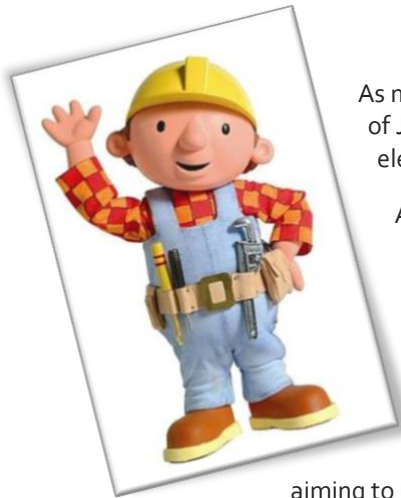

For nearly 70 years good people have assisted Delando in this capacity, so please give it some thought.

“Bob the Builder” update

As mentioned in the last newsletter, the final stage of electrical upgrade works was completed at the end of June. This has brought the main electrical switchboard up to the required standard and now gives the electrical capacity needed for the air conditioning upgrades and then the kitchen upgrade.

As we mentioned also last time the air conditioning system was recently reviewed by a specialist contractor. We're pleased to report that at the time of writing this newsletter the upgrades to the Day Program room and main office are in progress and only hours away from completion.

This will provide much needed heating and cooling capacity to the most used parts of the building from Monday 16 July. The remaining parts of the building will be addressed once the bathroom and kitchen upgrades are completed over the coming months.

We're also pleased to report that the broader renovation program starts on Tuesday 24 July. We're aiming to undertake as much of the renovation work as possible using supported Delando workers and staff as this provides a great opportunity to develop the skills of our supported workers on our own building renovations.

Pie Drive - and cakes - YUM!

Attached to the newsletter is an order form for pies and cakes supplied from Thompsons. Delando is fundraising for our building renovations. All orders will be delivered to Delando on Thursday 2nd August and able to be collected between 12noon and 3pm.

We appreciate your support.....
