What Delando has been up to.....

Lots of activities this month – our first “girls only” outing was a great success with all those who attended having a fantastic day. Our New Focus Group went to the Shark and Ray Centre. The photos above and below give you a snapshot:

Message from our Chairman ...

Well doesn't time fly, the winter solstice is here and we are approaching the end of the financial year.

I am pleased to report that Delando is in a very secure financial situation, for which the Board wishes to thank Deb, Craig and the staff.

On a different note. Delando will hold its Annual General Meeting on the 16th August 2018, at Delando premises. This is the time where all members meet to discuss the future and direction of Delando, and of course elect the Board for the following year. Could I ask you to think about joining the board, for it is out of love and care for our family members that makes us the best!

If you have any questions of the board, if you have any questions about becoming a board member please feel free to call me Lawrence Caelli on 0412 447 830.

Building Renovations update

The final stage of the electrical works will be completed Friday 29 June during the afternoon. There will be minor disruptions in the centre during this period. For those accessing the Day Programs, look out for a note home detailing this....

The Air Conditioning system is currently under review by a specialist contractor. Once quotes received Delando will proceed with new air conditioning in the Day Program room and the office

When the above works are completed, the broader renovation will commence including the kitchen and bathroom upgrades. These projects will be completed by Staff and supported Delando workers where possible

Pie Drive - and cakes - YUM!

Attached to the newsletter is an order form for pies and cakes supplied from Thompsons. Delando is fundraising for our building renovations. All orders will be delivered to Delando on Thursday 2nd August and able to be collected between 12noon and 3pm.

We appreciate your support.....
